#### Sommario/riassunto

A unique new approach to trading based on financial analysis and financial astrology Timing Solutions for Swing Traders: Successful Trading Using Technical Analysis and Financial Astrology is a remarkable new book that introduces a revolutionary approach to non-day trading that combines the four basic dimensions of trend analysis—price patterns, volume, price momentum, and price moving averages—with a little financial astrology. Focusing on the essentials of technical analysis, the book is filled with examples of reliable indicators and formulas that traders can use to help dev
