The Archaeology of Identity -- V. The Archaeology of Empire during the Republic -- VI. Republican Archaeology and the 21st Century.     |
| Sommario/riassunto      | A Companion to the Archaeology of the Roman Republic offers a diversity of perspectives to explore how differing approaches and methodologies can contribute to a greater understanding of the  |

formation of the Roman Republic. Brings together the experiences and ideas of archaeologists from around the world, with multiple backgrounds and areas of interest Offers a vibrant exploration of the ways in which archaeological methods can be used to explore different elements of the Roman Republican period Demonstrates that the Republic was not formed in a vacuum, but
