## Sommario/riassunto

A groundbreaking study of the investment portfolios of takaful companies, their general investment patterns, and their future investments The Islamic finance industry has witnessed remarkable growth over the last decade, and one of the most successful segments-poised for even greater expansion-is the Islamic insurance (takaful) industry. In Takaful Investment Portfolios, distinguished takaful scholar Abdulrahman Khalil Tolefat explores the investment portfolios of takaful companies in both the GCC countries and Malaysia, the tip of Islamic finance industry. Investigating the tr
