Sommario/riassunto	Praise for The CME Group Risk Management Handbook ""Wow! The CME Group Risk Management Handbook is a 'ten strike' and long overdue. A must-read and reference for the risk management industry!""-Jack Sandner, retired chairman of CME Group, member of the Executive Committee ""This is a powerful book for its integration of futures and options markets with an understanding of the whole economy. It is an

eye-opener to see how central these markets are to our economic lives."-Robert J. Shiller, Okun Professor of Economics, Yale University; Chief Econom
