Sommario/riassunto	Palestinian Literature and Film in Postcolonial Feminist Perspective is the first sustained study of gender-consciousness in the Palestinian creative imagination. Drawing on concepts from postcolonial feminist theory, Ball analyses a range of literary and filmic works by major creative practitioners including Michel Khleifi , Liana Badr, Annemarie Jacir, Elia Suleiman, Mona Hatoum and Suheir Hammad, and reveals a

hitherto unrecognized trajectory in gender-consciousness under development in the Palestinian imagination from the start of the twentieth century. The book explores how these works

Sommario/riassunto	This book provides a sound basis in the challenging area of the mechanics of unsaturated geomaterials. The objective is to supply the reader with an exhaustive overview starting from the basics and covering the most recent theories and applications (i.e. natural disasters, nuclear waste disposal, oil and agriculture productions). The presentation of the fundamental concepts is based on an interdisciplinary approach, in the areas of soil, rock and cement-based material mechanics.
