Sommario/riassunto	Invaluable information regarding one of the biggest worldwide growth areas in investing-infrastructure assets Infrastructure investing is about to explode on the worldwide scene. The fact is that real money will need to be spent on real projects-which will present real

opportunities for stable, long-term returns. But infrastructure assets have unique characteristics and the investments and funds that will likely rise up must be suitably structured to serve investor needs. Author Rajeev Sawant has been analyzing infrastructure investments, funds, and project financing programs for ne
