Nota di contenuto	pt. 1. Case studies in project management -- pt. 2. Case studies in program management -- pt. 3. Case studies in organizational project management.
Sommario/riassunto	The ever expanding market need for information on how to apply project management principles and the PMBOK contents to day-to-day business situations has been met by our case studies book by Harold Kerzner. That book was a spin-off from and ancillary to his best selling text but has gained a life of its own beyond adopters of that textbook. All indications are that the market is hungry for more cases while our own need to expand the content we control, both in-print and online would benefit from such an expansion of project management "case content". The authors propose to produce a book of
