National Plan for the Future of the Humanities; Conclusion: confidence based on the procedures followed; Notes; Literature; Abbreviations; Illustrations; Appendix A; Appendix B; Appendix C; Appendix D
Sommario/riassunto	The present strong position of the humanities in the Netherlands is under pressure. There are structural problems which are connected with financial shortfalls and a lack of clear-cut strategic choices. This report outlines the prerequisites for sustainable development of the humanities, describing the value and position of the humanities in the Netherlands in an international perspective, including recommendations for all parties involved.
