Sommario/riassunto	An in-depth, well-researched look at 100 hedge fund frauds Compared to mutual funds, hedge funds are the James Bonds of the marketplace. They have been relatively unfettered by government regulation, and they play bigger games, take bigger risks, use unorthodox methods, and have the power to capture the public imagination in a way that their lesser counterparts have difficulty approaching. At once

fascinating and startling, The Hedge Fund Fraud Casebook provides readers with a broad knowledge of hedge fund regulation through a look at the first 100 cases of proven fraud at hedg
