Sommario/riassunto

Praise for IT Best Practices "The work of the financial manager revolves around a company's financial systems. Ms. Roehl-Anderson's latest offering addresses the two key aspects of these systems-how to buy and install them. The book covers every conceivable aspect of these systems, including ERP, software as a service, shared services, and supporting controls. As a bonus, the book contains substantial coverage of information technology considerations in an acquisition. This is a definitive desk reference." -Steve Bragg, CFO, XeDAR Corporation, and author of Accounting Best Practi
