Sommario/riassunto	For many, retirement has become increasingly difficult to both attain

and afford. But there is a way today's 401(k) participant, as well as those contributing to similar retirement savings plans, can turn their retirement dreams into reality. With over twenty-five years of experience consulting on retirement plans, author Richard Schmitt knows what it takes to make the most of them, and now, in 401(k) Day Trading: The Art of Cashing in on a Shaky Market in Minutes a Day, he shows you how. Divided into four comprehensive parts, this reliable resource takes you step-by-step through the envir
