## Sommario/riassunto

How top traders made huge profits during the most momentous market events of the past century  
Financial and commodity markets are characterized by periodic crashes and upside explosions. In retrospect, the reasons behind these abrupt movements often seem very clear, but generally few people understand what's happening at the time. Top traders and investors like George Soros or Jesse Livermore have stood apart from the crowd and capitalized on their unique insights to capture huge profits. Engaging and informative, *The Greatest Trades of All Time* chronicles how a select few traders a
