

1. Record Nr.	UNINA9910456644003321
Autore	Melman Arnold
Titolo	After prostate cancer [[electronic resource]] : a what-comes-next guide to a safe and informed recovery / / Arnold Melman and Rosemary E. Newnham
Pubbl/distr/stampa	New York, : Oxford University Press, 2011
ISBN	1-283-16024-2 9786613160249 0-19-975325-3
Descrizione fisica	1 online resource (243 p.)
Altri autori (Persone)	NewnhamRosemary E
Disciplina	616.99/463
Soggetti	Prostate - Cancer - Patients - Rehabilitation Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The basics of the prostate and prostate cancer -- Prostate cancer treatments -- Erectile dysfunction -- Treatments for erectile dysfunction -- Urinary incontinence -- Treatments for urinary incontinence -- Other complications and their treatments -- Non-localized cancer : treatments and complications -- Psychological aspects of prostate cancer recovery -- Prostate cancer recovery and relationships -- The future of prostate cancer treatment and recovery -- Appendix : resources for patients and their families.
Sommario/riassunto	Men who have completed prostate cancer treatment often find themselves facing new challenges and setbacks that do not necessarily recede along with the cancer. Many books endeavor to explain the different types of prostate cancer treatments, but most conclude once a treatment choice has been made, offering readers little in the way of guidance through the challenges of the post-treatment period. After Prostate Cancer: A What-Comes-Next Guide to a Safe and Informed Recovery picks up where those books leave off. Dr. Arnold Melman, Chair of the Department of Urology at the Albert Einstein College

Diffusionist Story-Making; Conclusion -- 6 A Critical Geography of Urban Learning; Introduction; The Actual and the Possible; Agency and Critical Learning; Assemblage and the Critical Learning Imaginary; Postcolonial Urban Learning?; Conclusion -- Conclusion -- References -- Index.

Sommario/riassunto

Learning the City: Translocal Assemblage and Urban Politics critically examines the relationship between knowledge, learning, and urban politics, arguing both for the centrality of learning for political strategies and developing a progressive international urbanism. Presents a distinct approach to conceptualising the city through the lens of urban learning; Integrates fieldwork conducted in Mumbai's informal settlements with debates on urban policy, political economy, and development; Considers how knowledge and learning are conceived and created in cities; Addresses the way knowledge travels and opportunities for learning about urbanism between North and South.
