#### Sommario/riassunto

This book provides an important new contribution to debates around housing policy and its impact on community cohesion. There has never been a more prescient time to discuss these concepts: the book provides an interpretation of housing, race and community cohesion in a highly politicized and fluid policy context. It is designed to initiate discussion and debate but this should not be esoteric and limited to a group of academics. Rather the objective is to bridge academic and policy audiences in the hope that this fusion provides a basis for a new agenda to discuss these topics. Rac
