| Sommario/riassunto      | Symbolic resources affect social, cultural, and economic development. The value of being ""Made in America"" or ""Made in Italy,"" for   |

example, depends not only on the material advantages each place offers but also on the symbolic resources embedded in those places of production. Drawing on case studies that range from the vineyards of South Africa and the textiles of Thailand to the Mundo Maya in Latin America and tourist destinations in Tuscany, this volume examines the various forms that cultural wealth takes, the processes involved in its construction, and the ways it is deployed.
