Sommario/riassunto

Buying Time and Getting By provides a detailed account of the voluntary simplicity movement, which took off in the United States in the late 1980s and early 1990s. The concept of voluntary simplicity encompasses both self-change aimed at bringing personal practice into alignment with ecological values and cultural change that rejects consumerist values and careerism. While simple living struggles with self-change, they work toward the broader goals of a sustainable global environment, sustainable communities, increased equality in access to resources, and economies aimed at human quality of life rather than profit. Author Mary Grigsby looks inside the movement at the daily lives of participants and includes their own accounts of their efforts. She also uses reflexive empirical analysis to explore race, class, and gender in relation to the movement. The influence of the dominant culture and institutionalized power in shaping the movement are balanced with the importance of participants' dynamic identity work.

3. Record Nr.	UNINA9910140239103321
Titolo	The American music teacher
Pubbl/distr/stampa	[Cincinnati, Ohio, etc.], : Music Teachers' National Association
Descrizione fisica	1 online resource (volumes) : illustrations, portraits
Disciplina	780.5 780.7
Soggetti	Music - Instruction and study Music Musique Musique - Etude et enseignement Education Periodicals. periodicals. MAG (Magazine/Journal) Periodiques.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
