

1. Record Nr.	UNINA9910140374903321
Titolo	EvoDevo
Pubbl/distr/stampa	London, : BioMed Central, 2010-
Descrizione fisica	1 online resource (volumes)
Soggetti	Evolution (Biology) Developmental biology Biological Evolution Developmental Biology Evolució (Biologia) Genètica evolutiva Biologia del desenvolupament Periodical Fulltext Internet Resources. Periodicals. Revistes electròniques.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	"EvoDevo publishes articles on a broad range of topics associated with the translation of genotype to phenotype in a phylogenetic context. Understanding the history of life, the evolution of novelty and the generation of form, whether through embryogenesis, budding, or regeneration are amongst the greatest challenges in biology. We support the understanding of these processes through the many complementary approaches that characterize the field of evo-devo."
