Livello bibliografico	Monografia
Sommario/riassunto	<p>First comes serial-killer hunting, then comes marriage in the sequel to the bestselling <i>Stalking Sapphire</i> starring the "Dexter" of the debutante set" (Francine LaSala, author of <i>A Comfortable Madness</i>). As a new serial killer dubbed the "Stripper Slayer" plagues Los Angeles, Sapphire once again sheds her socialite persona, this time to go undercover as a penniless stripper. Struggling to find the brutal man before he slays again, Sapphire finds that the thin wall separating her double life is cracking. Her family and friends expect her to walk down the aisle with the most eligible bachelor among the Beverly Hills elite; a man she doesn't want. Meanwhile, the man she does want, handsome Detective Aston Ridder, is making her life hell as he closes in on her trail. Sapphire scrambles to keep the chaos at bay, unaware that someone else is tracking her as well. A serial killer from her past is back and will stop at nothing to get his vengeance." Sapphire Dubois] kicks butt and takes names. You wouldn't expect that from a spoiled, rich girl." -- Ionia Martin, author of <i>Plundering the Romance Novel</i></p>
