Sommario/riassunto	"The publications of the interdisciplinary and internationally networked Research Platform "World Order – Religion – Violence" seek to improve our understanding of the relationship between religion, politics and violence. It therefore deals especially with the return of religious themes and symbols into politics, with the analysis of the link between political theory and religion, and finally with the critical discussion of the secularization thesis. At the centre of the research are questions concerning the causes of violent conflict, the possibilities for a just world order and the conditions for peaceful coexistence on a local, regional, national and international/worldwide scale between communities in the face of divergent religious and ideological

convictions. Its task is to initiate and coordinate thematically related research-efforts from various disciplinary backgrounds at the University of Innsbruck. It creates a network between departments, research-teams and single researchers working on topics of religion, politics and violence. The overall aim of the research platform World Order-Religion-Violence is to promote excellence in social and human science research on religion and politics at the University of Innsbruck and to guarantee the diffusion of this particular competence on a national and international level."

Mit der Verabschiedung des Integrationskonzeptes Liechtenstein – Stärke durch Vielfalt durch die Regierung im Jahre 2010 betrat das Fürstentum ein neues Terrain: Von diesem Zeitpunkt an wurde Integration als öffentliche Angelegenheit im Dienste der Bevölkerung wahrgenommen und nachhaltig vorangebracht. Aus diesem Anlass organisierte das Ausländer-und Passamt in Zusammenarbeit mit dem Liechtenstein-Institut eine Vortragsreihe, deren primäres Ziel darin bestand, die unterschiedlichen Dimensionen der Integrationsarbeit der Bevölkerung näher zu bringen. Der vorliegende Sammelband dokumentiert diese Vortragsreihe, die im Zeitraum März bis Juli 2011 im Fürstentum Liechtenstein durchgeführt wurde.
