

1. Record Nr.	UNINA9910140507303321
Autore	Brown Gary P
Titolo	Assessment in cognitive therapy // edited by Gary P. Brown and David A. Clark ; contributors, Alison Alden [and thirty four others]
Pubbl/distr/stampa	Guilford Press, 2015 New York : , : The Guilford Press, , 2015 ©2015
ISBN	1-4625-1820-6 1-4625-1818-4 1-4625-1817-6
Edizione	[1st ed.]
Descrizione fisica	1 online resource (386 pages)
Disciplina	616.89/1425
Soggetti	Cognition disorders - Diagnosis
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	Cover; Half Title; Also Available; Title Page; Copyright; About the Editors; Contributors; Preface; Contents; Introduction; 1. Cognitive Clinical Assessment: Contributions and Impediments to Progress; Part I. Cognitive Assessment: Strategies and Practices ; 2. "Better the Devil You Know"?: A Conceptual Critique of EndorsementMethods in Cognitive Therapy Assessment; 3. Production-Based Assessment in Cognitive-Behavioral Therapy; 4. Imagery-Based Cognitive-Behavioral Assessment; 5. Assessment of Cognitive Vulnerability to Psychopathology: Issues in Theory and Practice 6. Implementing an Evidence-Based Approach to Cognitive-Behavioral AssessmentPart II. Cognitive Assessment and Diagnosis ; 7. Dimensionality in Cognitive-Behavioral Assessment; 8. The Cognitive Content-Specificity Hypothesis: Contributions to Diagnosis and Assessment; 9. Transdiagnostic Cognitive Assessment and Case Formulation for Anxiety: A New Approach; 10. Beyond DSM Diagnosis: The Pros and Cons of Cognitive Case Formulation; Part III. Challenges and Continuing Controversies; 11. Toward a Validity Framework for Cognitive-Behavioral Therapy Self-Report Assessment

12. Enhancing Measurement Validation in Cognitive Clinical Research with Structural Equation Modeling and Item Response Theory
13. Implicit Measures of Associations: A Case of Exaggerated Promises?
14. Advances in Construct Validity Theory: Implications for Cognitive-Behavioral Therapy Assessment; Conclusion
15. Fresh Pools or Stagnant Streams?: Current Status of Cognitive Clinical Assessment ;
Index

Sommario/riassunto

This volume brings together leading experts to explore the state of the art of cognitive clinical assessment and identify cutting-edge approaches of interest to clinicians and researchers. The book highlights fundamental problems concerning the validity of assessments that are widely used in cognitive-behavioral therapy (CBT). Key directions for further research and development are identified. Updated cognitive assessment methods are described in detail, with particular attention to transdiagnostic treatment, evidence-based practice, cognitive case formulation, and imagery-based techniques.
