

1. Record Nr.	UNINA9910793760703321
Autore	Mattison Andrew
Titolo	Solitude and Speechlessness : Renaissance Writing and Reading in Isolation / / Andrew Mattison
Pubbl/distr/stampa	Toronto : , : University of Toronto Press, , [2019] ©2019
ISBN	1-4875-1933-8 1-4875-1932-X
Descrizione fisica	1 online resource (269 pages)
Classificazione	cci1icc
Disciplina	820.9/003
Soggetti	English literature - Early modern, 1500-1700 - History and criticism Criticism, interpretation, etc. England
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Lyric Futures: Hidden Ambitions in the Sidney-Pembroke Circle -- Nameless Orphans: Ambitious Poetry in an Age of Modesty -- The Peril of Understanding: Forms of Obscurity -- The Lure of Solitude: Melancholy and Eremitism as Literary Dispositions -- The Naked Sense of Retirement: Cowley, Marvell, Traherne -- Literary History in Isolation: Bacon, Hofmannsthal, and Historical Memory.
Sommario/riassunto	"Recent literary criticism, along with academic culture at large, has stressed collaboration as essential to textual creation and sociability as a literary and academic virtue. Solitude and Speechlessness proposes an alternative understanding of writing with a complementary mode of reading: literary engagement, it suggests, is the meeting of strangers, each in a state of isolation. The Renaissance authors discussed in this study did not necessarily work alone or without collaborators, but they were uncertain who would read their writings and whether those readers would understand them. These concerns are represented in their work through tropes, images, and characterizations of isolation. The figure of the isolated, misunderstood, or misjudged poet is a preoccupation that relies on imagining the lives of wandering and complaining youths, eloquent melancholics, exemplary hermits,

homeless orphans, and retiring stoics; such figures acknowledge the isolation in literary experience. As a response to this isolation of literary connection, Solitude and Speechlessness proposes an interpretive mode it defines as strange reading: a reading that merges comprehension with indeterminacy and the imaginative work of interpretation with the recognition of historical difference."--

Sommario/riassunto

In an age where the amount of data collected from brain imaging is increasing constantly, it is of critical importance to analyse those data within an accepted framework to ensure proper integration and comparison of the information collected. This book describes the ideas and procedures that underlie the analysis of signals produced by the brain. The aim is to understand how the brain works, in terms of its functional architecture and dynamics. This book provides the background and methodology for the analysis of all types of brain imaging data, from functional magnetic resonance imaging to m

Livello bibliografico	Monografia
Note generali	Peter Lang GmbH, Internationaler Verlag der Wissenschaften
Nota di contenuto	Aus dem Inhalt: Federalismus und Finanzausgleich - Finanzausgleich zwischen Effizienz und Verteilung - Ökonomische Wirkungen des Länderfinanzausgleichs - Vertikale und horizontale Steuerverteilung - Der horizontale Länderfinanzausgleich - Ein Vorschlag zur Reform des Ausgleichstarifs - Die Bundesergänzungszuweisungen.
Sommario/riassunto	Der Länderfinanzausgleich in Deutschland steht vor einer grundlegenden Neuordnung. Das Gutachten für das Land Hessen analysiert den heutigen Länderfinanzausgleich einschließlich der Bundesergänzungszuweisungen aus finanzwissenschaftlicher Sicht. Ausgehend von den Defekten des bestehenden Systems werden die Möglichkeiten einer zielgerichteten Reform erörtert. Der Verfasser pladiert für die Beseitigung aller Sonderregelungen und für die Abschaffung der Bundesergänzungszuweisungen mit Ausnahme der Hilfen für die neuen Länder. Darüber hinaus empfiehlt er eine deutliche Reduktion der Nivellierungsintensität des horizontalen Länderfinanzausgleichs durch ein flexibles Tarifmodell, das positive Leistungsanreize für Zahler- wie Empfängerländer sicherstellt.
