Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Sustained tones, sustained durations / Richard Glover -- Performed installations / Richard Glover -- Repetitions in extended time / Bryn Harrison -- Listening through Morton Feldman's Triadic memories / Bryn Harrison.
Sommario/riassunto	This short collection of essays focuses on four areas of immersive sound environments: repetition, sustained tones, performed installations and approaches to extended forms. Through in depth exploration of the experiential nature of these subjects, the authors offer reflections upon the materials used for these environments, how they are organised, and the consequences of this on how we listen.
