Sommario/riassunto	Find out what your early stage business is really worth-and what you can do to increase its value even more One of the most misconstrued concepts in business today, valuation has also rapidly become one of the most important for business owners in today's unpredictable financial atmosphere. An experiential and practical guide drawn from author and valuation expert Neil Beaton's fifteen years of focused start-up work, Valuing Early Stage and Venture-Backed Companies equips

you with a solid foundation of the ins and outs of early stage and
venture-backed valuations-no ma
