Sommario/riassunto	Everyone seeks to avoid getting into a lawsuit, but what do you do if this does happen? Getting sued for medical malpractice is one of the most traumatic events of a physician's career. This text will guide doctors and physicians through the process from the moment they receive a summons until the after-trial appeal process. Containing valuable information that physicians need to know to prevent making critical mistakes that can hurt their case With strategies explained to maximize their chances of a defendant's verdict. Including vital information on how
