Sommario/riassunto

A Companion to American Studies is an essential volume that brings together voices and scholarship from across the spectrum of American experience. A collection of 22 original essays which provides an unprecedented introduction to the "new" American Studies: a comparative, transnational, postcolonial and polylingual discipline Addresses a variety of subjects, from foundations and backgrounds to the field, to different theories of the "new" American Studies, and issues from globalization and technology to transnationalism and post-colonialism Explores the re
