Sommario/riassunto	A proven way to put together a portfolio that enhances performance and reduces risk Professor Craig Israelsen of Brigham Young University is an important voice in the area of asset allocation. The reason? He keeps things simple. Now, in 7Twelve, he shows you how to do the

same, and demonstrates how his approach to investing can help you grow your money as well as protect it. 7Twelve outlines a multi-asset balanced portfolio that is a logical starting point when assembling a portfolio-either as the blueprint for the entire portfolio or as a significant building block.
