Sommario/riassunto	A detailed look at the technical pattern simply referred to today as the Gartley Pattern Gartley patterns are based on the work of H.M. Gartley, a prominent technical analyst best known for a particular retracement pattern that bears his name. In recent years, Gartley patterns-which

reflect the underlying psychology of fear and greed in the markets-
have received renewed interest. This definitive guide skillfully explains
how to utilize the proven methods of H.M. Gartley to capture consistent
profits in the financial markets. Page by page, you'll become familiar
with Gartley's origin
