Sommario/riassunto	A straightforward guide to successfully trading options Options provide traders and investors with a wide range of strategies to lock in profits, reduce risk, generate income, or speculate on market direction. However, they are complex instruments and can be difficult to master if misunderstood. No-Hype Options Trading offers the straight truth on how to trade the options market. In it, author Kerry Given provides realistic strategies to consistently generate income every month, while debunking many myths about options trading that tend to lead retail

traders astray. Along th
