Directing and Facilitating -- 5. Conclusions and Recommendations -- List of Abbreviations -- References -- List of Interviewees -- Appendix 1 -- Appendix 2 -- Appendix 3 -- Appendix 4
Sommario/riassunto	Due to the rapid rise of globalization, the Netherlands has never been more politically, socially, and economically connected to other countries. To address this development, the Scientific Council for Government Policy is providing new reflections on Dutch foreign policy in this report. The most important suggestions include more governmental transparency, smart use of nongovernmental organizations, and adapting government structures to take advantage of the Netherlands' position within Europe.
