Descrizione fisica	1 online resource (432 pages)
Disciplina	306.0971
Soggetti	Canada Civilization Study and teaching History Canada Study and teaching History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	To Know Our Many Selves profiles the history of Canadian Studies, which began as early as the 1840s with the Study of Canada. Professor Dirk Hoerder discusses this comprehensive examination of culture by highlighting its unique interdisciplinary approach, which included both sociological and political angles. Years later, as the study of other ethnicities was added to the cultural story of Canada, a solid foundation was formed for the nation's master narrative. Against this background, To Know Our Many Selves focuses on why Canadian Studies may be used as a sound model for the study of others.
