Sommario/riassunto	A comprehensive catalog of exchange-traded funds and insights into successful trading techniques This Second Edition of the bestselling Trading ETF's offers an updated version of the definitive guide to this vital part of the capital markets. It contains numerous new examples of

the techniques that author Deron Wagner uses in selecting the most timely ETF's to trade and underscores the core insights of his trading discipline "trade what you see, not what you think." Written for professionals who are using, or should be using, ETFs as an asset class within their portfolio
