Rothblum.
Sommario/riassunto	This book explores the diversity in lesbian, gay, and bisexual lives, with the aim of opening up therapists' understanding of this diversity so that they can work in an ethical, supportive and non-discriminatory way with these individuals. Offers a comprehensive look at diversity within LGB populations, including the interactions between different

areas of social difference using contemporary approaches  
Focuses on the practitioner, illustrating concepts with vignettes and case studies  
for implementing practical applications  
Emphasizes gender balance, fu
