Sommario/riassunto	Human resource management is a vital function of any organization, at the nexus of business practice, psychology, and law. This one-of-a-kind and all-in-one print and online encyclopedia offers access to information on all manner of topics and issues related to the ""people"" side of business. Volume 3 provides a summary of Employment Law, Labor Relations, and Human Resources Laws and Practices from around the world, key primary documents, and links to citations to law in the natural language of the country. For professionals in human resource management, the Encyclopedia will be
