Descrizione fisica	1 online resource (443 pages) : illustrations
Disciplina	005.8
Soggetti	Computer security Computer networks - Security measures Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"With new information about post-9/11 security."--cover "Wiley Computer Publishing."
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	part 1. The landscape -- part 2. Technologies -- part 3. Strategies.
Sommario/riassunto	Bestselling author Bruce Schneier offers his expert guidance on achieving security on a networkInternationally recognized computer security expert Bruce Schneier offers a practical, straightforward guide to achieving security throughout computer networks. Schneier uses his extensive field experience with his own clients to dispel the myths that often mislead IT managers as they try to build secure systems. This practical guide provides readers with a better understanding of why protecting information is harder in the digital world, what they need to know to protect digital information, how
