Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (pages 287-291)
Sommario/riassunto	To mark the double anniversary - 60 years of Studium Generale, 20 years of applied cultural studies at the University of Karlsruhe - the volume documents the history and content of both institutions. In addition to documents and sources for the establishment and further development of Studium Generale and Applied Cultural Studies, there are also historical and current programmatic texts on general teaching and the tasks of cultural studies approaches at a technical university.
