Sommario/riassunto	With over 50,000 copies in print for the first edition, Kaepfel's insight has undoubtedly made its mark in the options world. Now, he strikes again with an updated and more comprehensive look at those pesky mistakes that traders continue to make in trading options. In easy-to-understand terms, he systematically breaks down each problem and

offers concrete and practical solutions to overcome it in the future. There are big profits to be made in options trading. By avoiding the four most common and most costly mistakes the majority of traders make, you'll be set to win big. System and software
