

1. Record Nr.	UNINA9910141751603321
Titolo	IEEE standard for separable insulated connector systems for power distribution systems above 600 V
Pubbl/distr/stampa	New York : , : IEEE, , 2006
ISBN	0-7381-5220-X
Descrizione fisica	1 online resource (59 pages)
Disciplina	621.3193
Soggetti	Electric connectors
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Definitions, service conditions, ratings, interchangeable construction features, and tests are established for loadbreak and deadbreak separable insulated connector systems rated above 600 V and, 600 A or less, for use on power distribution systems.
