Sommario/riassunto	This timely volume provides an in-depth look at why the field of communication is so central in initiatives for social impact around the world. In Distinctive Qualities in Communication Research, editors Donal Carbaugh and Patrice M. Buzzanell bring together scholars with varied and productive approaches to communication to address the question of what distinguishes communication research from similar

studies in other disciplines. Each contributor responds to the question:
"What makes your research communication research? How doe
