

1. Record Nr.	UNINA9910141908503321
Titolo	Transportation Electrification Asia-Pacific (ITEC Asia-Pacific), 2014 IEEE Conference and Expo // Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 2014
ISBN	1-4799-4239-1
Descrizione fisica	1 online resource
Disciplina	537.082
Soggetti	Electricity
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Conference to discuss research and technology development of materials, devices, components, motor drives, power electronics, batteries, subsystems, and systems for electrification of all transportation vehicles, including automobiles, airplanes, high speed train, light rail trains, off road vehicles, and heavy duty vehicles.
