

1. Record Nr.	UNINA9910142359803321
Titolo	Neural processing letters
Pubbl/distr/stampa	[Dordrecht], : Kluwer Academic Publishers ‡3 <2007-> : ‡a Dordrecht : ‡b Springer
ISSN	1573-773X
Descrizione fisica	1 online resource
Disciplina	006.32
Soggetti	Neural networks (Computer science) Artificial intelligence Reseaux neuronaux (Informatique) Intelligence artificielle Neurale netwerken Kunstmatige intelligentie periodicals. Periodicals. Periodiques.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	Neural Processing Letters is an international journal publishing research results and innovative ideas on all aspects of artificial neural networks. Coverage includes theoretical developments, biological models, new formal modes, learning, applications, software and hardware developments, and prospective researches.
