	Nota di contenuto	Intro -- The Non Sequitur Guide to Finance -- Copyright.

The woes of financial burden and economic shenanigans are in full force in Wiley Miller's e-book original *The Non Sequitur Guide to Finance*, a collection of cartoons featuring his adept views on crooked CEO's, big and small business, and Wall Street. In this collection, Wiley shows it's no fun finding out about mutual funds, Wall Street snow angels look like dollar signs, and we can discover most of what we need to know about economics on street corners. *Non Sequitur* is Wiley Miller's wry look at the absurdities of modern life. A hit with millions of fans, the strip is syndicated in more than 700 newspapers. *Non Sequitur* has won four National Cartoonists Society divisional awards, the most prestigious prize in cartooning. It is the only comic strip to win the coveted award in its first year of syndication and the only one to ever win in both the best comic strip and best comic panel categories.
