

1. Record Nr.	UNINA9910142890603321
Titolo	Tribology international
Pubbl/distr/stampa	[Guildford, Surrey], : [IPC Science and Technology Press], 1974-
ISSN	1879-2464
Disciplina	621.8905
Soggetti	Tribology Lubrication and lubricants Tribology - Periodicals Friction Lubrication Surface Properties Tribologie (Technologie) - Periodiques Tribologie (Technologie) Lubrification Periodical periodicals. Periodicals. Periodiques.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed Title from pdf of running title (ScienceDirect, viewed November 30, 2005). Imprint varies: Butterworth Scientific Limited, <1984->; Elsevier Science, <1996-> Some issues also have distinctive theme titles.
Sommario/riassunto	" ... provides up-to-date information on the science, practice and technology of lubrication, wear prevention and friction control. This multidisciplinary field is approached from a practical standpoint, equipping designers, research and development engineers, mechanical

and lubrication engineers, managers and scientists with the information that will enable them to minimize the cost of moving parts. Thus machinery can be made more efficient, more reliable and more cost effective."
