Sommario/riassunto	Praise for BILLIONS OF DROPS in MILLIONS OF BUCKETS ""Billions of Drops in Millions of Buckets provides a bracing and original look at philanthropy that offers a much-needed corrective to conventional wisdom. Steve Goldberg combines a resolve to understand why so much philanthropy accomplishes so little enduring social change with a timely and serious proposal to reinvigorate nonprofit capital markets

through the simplest of insights: getting more of the money to where it can do the most good. This book will change how forward-looking philanthropists, foundations, and policy
