Sommario/riassunto	This nuts-and-bolts guide examines all aspects of an M&A due diligence--from coming to the decision to acquire a company, to who

should be on the due diligence team, to the actual process and the final report and post-closing follow up. It advocates a focus on both risk mitigation and shareholder value creation, and emphasizes a holistic approach that spans from planning to post-acquisition integration. The tentative contents is: (1) Introduction; (2) Planning for value creation: growth strategy; (3) Engagement and pursuit; (4) Preparing for due diligence; (5) Validation of value: performing d
