Sommario/riassunto	A History of Seventeenth-century Literature outlines significant developments in the English literary tradition between the years 1603 and 1690. An energetic and provocative history of English literature from 1603-1690. Part of the major Blackwell History of English Literature series. Locates seventeenth-century English literature in its social and cultural contexts. Considers the physical conditions of

literary production and consumption. Looks at the complex political, religious, cultural and social pressures on seventeenth-century writers. Features close critical engagement with major autho
