Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Policy into practice / Geoffrey Meads and John Ashcroft -- Practice into policy / Rosalind Scott, John Ashcroft and Andrea Wild -- The professional experience / Geoffrey Meads and Hugh Barr.
Sommario/riassunto	The Case for Interprofessional Collaboration recognises and explores the premium that modern health systems place on closer working relationships. Each chapter adopts a consistent format and a clear framework for professional relationships, considering those with the same profession, other professions, new partners, policy actors, the public and with patients. Section one, Policy into Practice, considers a series of analytical models which provide a contemporary account of collaboration theory, including global developments. The second section of the book, Practice into Policy, examines
