Sommario/riassunto	A Companion to Gender History surveys the history of women around the world, studies their interaction with men in gendered societies, and looks at the role of gender in shaping human behavior over thousands of years. An extensive survey of the history of women around the world, their interaction with men, and the role of gender in shaping human behavior over thousands of years. Discusses family history, the history of the body and sexuality, and cultural history alongside women's history and gender history. Considers the importance of class, region, ethn
