Sommario/riassunto

Praise for Management Accounting Best Practices "It doesn't matter where you start reading, even the most experienced accountant will find some useful ideas."-Alan H. Boycott, Chartered Accountant, Dusseldorf, Germany "This is one of the best books about new accounting practices in practical accounting. I highly recommend this book for accountants of all levels."-Andrei Ralko, Controller, International Center for Transitional Justice, New York, NY The only practices worth following are the best practices... Destined to become an essential desktop tool in
