Sommario/riassunto

THE FOREX CHARTIST COMPANION The foreign exchange (Forex) market has quickly become the market of choice for traders looking to increase their profit potential. The combination of high liquidity and low transaction costs—as well as twenty-four-hour accessibility—has attracted the attention of both new and veteran traders. In *The Forex Chartist Companion*, authors and active Forex traders Michael Archer and James Bickford provide a visual window into the behavior of the Forex market along with detailed information on the mechanics of day trading, market entry timing, and much more.
