Sommario/riassunto

A solid foundation for those looking to succeed in today's market. An excellent book for new traders, *30 Days to Market Mastery* outlines an easy-to-understand and easy-to-implement approach to learning how to trade. This book covers the fundamentals of how to structure trades in a disciplined fashion, so as to avoid vague decisions and acting on unclear trading signals. It also provides a number of strategies for entering and exiting the market in a way that maximizes the chances of making money and minimizes the potential for losing money. With this book as their guide, readers
